LANCE MILLER and BILL MILLER III

SO MANY TREASURES, SO LITTLE TIME

Welcome to Fall Carlisle. If you are here for the first time, thank you for making our event part of your weekend. If you are a regular, thank you for returning to the best event of its type in the world. Whether you are here for five days, just one or something in between, by the conclusion of your journey, you'll leave with some great memories. If you have questions, visit Guest Services, where our friendly staff will help in any way possible.

This weekend, you'll quickly learn that Fall Carlisle is the place for you to purchase automotive parts and accessories for upgrades, maintenance or restoration of your collector car. In addition, if you fancy automotive-themed memorabilia, there is a great array of that here too. Auctions America by RM returns, and they have a lot of great cars for auction. Preview the cars at the Carlisle Expo Center, then stop in on Thursday and Friday for the auction excitement.

Speaking of cars, be sure to visit the car corral. Deal directly with the owner, and with onsite financing, you can drive your new car home within hours.

In closing, we have some company news to share. First, Carlisle Events is now involved with two events in Zephyrhills, FL. Zephyrhills Fall AutoFest and Winter AutoFest are just like Spring and Fall Carlisle. The fall event is November 8-11, 2012, and the winter gathering takes place February 21-24, 2013. Further, we've added a non-automotive event to the schedule for 2013. Consider being part of the Carlisle Sports and Outdoor Nationals, September 6-8. Also added is an event in Bloomsburg, PA, that takes place each August.

In all, your support has helped bring us to this point as a company. To that, we ask that you take a few moments to fill out our event survey online at www.CarlisleEvents.com or visit Guest Services for a hard copy.

— Lance and Bill

With winter just around the corner, Fall Carlisle is the perfect place to find the parts you need for your snowy-day project, or to sell extra parts you obtained over the summer.

There's nothing quite like a swap meet, especially at Carlisle, where there are over 150 acres of parts, over 8,000 vendor spaces, and hundreds of cars for sale. Chances are, if you're looking for something specific for your project, you'll be able to find it with a little walking, a keen eye and some help from a few friends.

But my favorite part about swap meets isn't finding what you set out to find. It's finding what you didn't expect when you weren't really looking. Maybe you see a good set of bumpers for a '68 Camaro instead of that cowl hood you were hunting, or a new set of stainless bed rails for a '72 Chevy truck instead of a 750-cfm double pumper carb for your truck's engine. Those parts weren't at the top of your list of needs, but you still need them, and here they are, just waiting to go home with you. When I'm out hunting, I have to be careful not to get carried away — it just underlines why you should have a good list of needed items with you, and try to stick to it.

A couple of other tips for the weekend: Get here early, as the best deals go first. And be sure to walk through again on the last day for low prices on parts that sellers just can't take home. Don't be afraid to negotiate prices, and have friends help you hunt by spreading out — there's just too much for one person to see in one day.

If you're in the market for American car parts, be sure to check out American Car Collector magazine. From auction results to in-depth profiles on American cars, ACC is the go-to guide for information on the American car marketplace. There's a special offer card in this guide.

And above all, good luck in your hunt this weekend!

— Jim Pickering, American Car Collector Editor

HIGHLIGHTS

WIN AN APPLE IPAD 2

We recognize that today's technician plays with today's technology. This prize will serve as a great accessory for travel, shop work, Web browsing, gaming or whatever you want to do with it. We've given one away at each event this year. All you have to do to win is stop at Guest Services and register. No purchase necessary, and you do not have to be present to win. If you are unable to register at the event, you can register on our website www.carlisleevents.com by Sunday at 1:59 p.m. to be eligible to win.

AUCTIONS AMERICA BY RM

COLLECTOR CAR AUCTION

The Carlisle Auction, presented by Auctions America by RM, provides the perfect opportunity to purchase or sell your collector car. A large and diverse selection of extraordinary vehicles and our Carlisle Expo Center are the ideal combination for a great selling environment. The Carlisle Expo Center is on K Street, just a block outside of Gate 3. See a sampling of auction vehicles on display at the grandstand.

IF SOMEONE IS LOST.....

If you are unable to contact a member of your party, wait for them near the **GUEST SERVICES BUILDING**. We do not page individuals. Notify any Security personnel or Carlisle Events staff member when a child is lost.

HAULING PARTS

To get items you've purchased to

your vehicle, your options are:

- Rent a heavy-duty hand cart at Guest Services (for a donation to Chip Miller Charitable Foundation)
- Request hauling assistance at Guest Services (for a donation to Chip Miller Charitable Foundation)
- Obtain a temporary entry pass to drive your vehicle onto the grounds. These are available at Gates 1, 2 or 3 in the late afternoon.

WI-FI.....

CARLISLE EVENTS HOT SPOT is the public wireless Internet network available **in front of the grandstand**. No password required. Unsecured connection. You are responsible for the security of your information and equipment. Carlisle Events assumes no responsibility and shall not be liable for any damages to your equipment.

MANUFACTURERS MIDWAY & SWAP MEET

Visit our partners on the Manufacturers Midway and shop the swap meet. You'll find new product manufacturers, vintage accessories, parts and memorabilia. Vendors are listed by specialty and alphabetically in this directory. Financial services are available inside of Building T.

CAR CORRAL.....

The car corral is where vendors offer vehicles only (no parts, etc.) for sale. Find classic to late-model vehicles in all varieties of make, model and condition. You can shop, compare and make the deal directly with the owner. Notary services, including temporary tags, are available in the office between the pavilions.

WORSHIP SERVICE.....

A non-denominational worship service is held at 9 a.m. Sunday morning in the grandstand. We invite you to join us for the service led by The Salvation Army, our partners-in-faith. Coffee and donuts available. Everyone is welcome and encouraged to attend!

2012 HIGHLIGHTS

CARLISLE PERFORMANCE & STYLE — MAY 12-13, 2012

The 2012 Carlisle Events season opened with 12 events on the schedule and, due to expansion, concluded with 14 this year and a total of 16 next year. Following **Spring Carlisle**, the specialty season launched with **Performance & Style**. Great weather allowed a great array of tuners, modern muscle and custom compacts to be on display while an enthusiastic audi-

ence walked the grounds. There was drifting onsite, a burnout competition, beauty contest and great displays like Kickin' it Old Skool, the Scikotics Ward, interactive exhibitions and more. In all, the weekend displayed the best from the hobby.

Just two weeks later, foreign cars were on full display with the **Import & Kit Nationals**. Show-goers went around the world as part of

the second annual passport program while seminars and industry guests entertained the masses. Another great weather weekend brought enthusiasts out in droves, and scenic cruises, autocross and special downtown Carlisle displays and activities had everyone talking about this very special import weekend.

Carlisle's Summer of Muscle

CARLISLE IMPORT & KIT NATIONALS — MAY 18-20, 2012

CARLISLE FORD NATIONALS — JUNE 1-3, 2012

launched in June with a spectacular tribute to Carroll Shelby as part of the **Ford Nationals**. Nearly 3,000 vehicles laced the grounds, many of them Mustangs, to pay tribute to a man who gave so much to the industry. Representatives from *SPEED TV*, Barrett-Jackson Auctions and Team Shelby were onsite to recognize his accomplishments and interact with the thousands of en-

thusiasts at Carlisle. Seminar tents were packed, as were the streets of downtown Carlisle for the second annual all-Ford parade and street party. The event was one of the biggest events of its type in the history of Carlisle, and excitement is building for next year's gathering.

The **GM Nationals** were the original mid-point of the season schedule (prior to expansion) and show-

cased a trio of giveaways, monster truck rides, special displays like the 348 and 409 "W" Engine reunion and Solid Lifter Showroom IV. In addition, over 100 years of history was on display with cars ranging from a 1913 Cartercar to modern-day machines. Live music was also popular, with CMT country artist Jason Sturgeon playing to an enthusiastic crowd.

CARLISLE GM NATIONALS — JUNE 22-24, 2012

2012 HIGHLIGHTS

CARLISLE CHRYSLER NATIONALS — JULY 6-8, 2012

Stars and cars were once again on display for the **Chrysler Nationals**. Catherine Bach (Daisy Duke) and Ben Jones (Cooter) represented the iconic "The Dukes of Hazzard" TV show throughout the weekend, while Richard Petty spent Sunday morning at Carlisle. In addition, a great array of cars adorned the showfield. Other popular attractions included the retro deal-

ership, mod tops display and autocross ridealongs with Hotchkis Sports Suspensions. Just like GM, an engine was up for grabs, and the special displays wowed the crowd for three straight days.

Bike Fest saw rain dampen much of the weekend, but riders turned out despite the wet weather. Demo rides, live music and the Monster Energy FreestyleMX.com

World Wide Tour highlighted the weekend. In addition, a pair of bikes was given away, as was a cruise. Enthusiasts were able to shop for aftermarket products and snag great deals via onsite vendors including Appalachian Harley-Davidson, who once again established their dealer mall within Building T. Given the wet weather, this was a very popular destination all weekend long.

CARLISLE BIKE FEST — JULY 20-22, 2012

CARLISLE TRUCK NATIONALS — AUGUST 3-5, 2012

Trucks of all shapes, sizes and styles converged on Carlisle for the **Truck Nationals**. There were monster truck rides and exhibitions featuring Big Foot, Virginia Giant and Backdraft while Megasauros returned to wow the crowd with its fire-breathing antics. A very popular attraction was that of the Vanarama display courtesy of www.CustomVan.com. Imaginations ran wild with nearly two dozen vans of

varying styles. Further, the onsite off-road course was a popular hot spot for attendees looking to get a little mud on the tires.

New in 2012 for Carlisle was the **Bloomsburg Nationals** in Bloomsburg, PA. This three-day event saw nearly 1,000 cars of all types cruise in for a great automotive-themed weekend. In addition to the outstanding array of cars, the event offered a swap meet, car corral and

special invitational display, along with musical entertainment and other fun activities like a wing eating competition, slow drags, burnouts and more. The Bloomsburg Fair Association also hosted a bull riding competition and live entertainment at the grandstand. In addition, the Sunday awards parade boasted 100% participation of the celebrity choice picks and also included a Best-of-Show award.

BLOOMSBURG NATIONALS POWERED BY CARLISLE EVENTS — AUGUST 10-12, 2012

2012 HIGHLIGHTS

The last speciality show in 2012 was the ever-popular **Corvettes at Carlisle**. Held just over a month ago, more than 2,500 show cars were on grounds spanning all generations of the Corvette. In addition, more than two dozen GM/Corvette engineers came to town to meet with enthusiasts. The weekend saw two awards parades, seminars, special displays, multiple giveaways including a 1998 Corvette coupe, and the always well-attended downtown Carlisle Corvette Parade and Street Party. With Corvette turning 60 years old in 2013, you can bet that it will once again be the biggest and best all-Corvette event around.

GUEST PROFILE

Fall Carlisle annually showcases a wide array of parts and accessories for the automotive enthusiast. Whether you are looking for a fender, headlight, wheel, wiper linkage or decommissioned traffic light for the basement, you've found a venue that has it all and then some. It's often said that if you can't find what you are looking for at Carlisle, you didn't look hard enough. As looking goes, there is just as much of an international audience at Fall Carlisle as there is a domestic one, and while the international visitors don't necessarily stand out like the parts on a vending table, they are here. From all corners of the globe, show-goers converge on the Carlisle PA Fairgrounds to find a car in the car corral, browse the swap meet or bid at the auction just like many local and regional attendees who make Carlisle an annual pilgrimage.

One such visitor is Charles Barnett. Charles annually comes to Carlisle from over the pond, specifically Queensbury, Yorkshire, England (between the towns of Bradford and Halifax). Charles has been coming to Carlisle for, according to him, "almost 10 years." Not only does Charles come to Carlisle for Fall Carlisle, but he makes the trip for Spring Carlisle too. Each year, about two days before the start of the event, he drives his Vauxhall Vectra wagon the 40 miles from his home to the Manchester airport, flies direct and lands state-side in Philadelphia. After he picks up his rental car, his journey to Carlisle really begins.

When asked why Carlisle and why twice a year from England, Charles says that it's because of the "great variety of toys, models and literature items that interest me, plus the chance to check out all the full-size cars that I love to see." Charles added that, "Carlisle has such a unique and wonderful atmosphere, and I can

renew friendships and meet old acquaintances again, as well as make new buddies every time. Of course, there's always a chance of a great deal."

Charles is no James Bond or Austin Powers, but he recently retired from the British Government Service and is now able to concentrate on his passions of dealing in and writing about model cars in his homeland. In addition to attending the events themselves, Charles loves exploring and traveling the United States, especially to other car and toy shows. Charles also revels in the opportunity to visit antique stores and malls along the way. This year, he aims to get a few days of relaxation at his favorite spot, Virginia Beach, but maintains that "whenever there's a car show and the weather is good, nothing beats Carlisle."

Charles is back this weekend, enjoying Fall Carlisle once more. He's walking the grounds just like you and is in search of that perfect deal either for one of his many keen customers or better still, to keep as a souvenir of the trip — a keepsake of sorts that he can treasure forever. The next question is, will he find something that he can slide into his bag and take home with him to the United Kingdom or will he have to pay a checked bag fee?

So the next time you walk the grounds at Carlisle, know that it's not just you and your fellow Americans looking for a deal. You might have to contend with a car corral shopper from Brazil, a model and literature enthusiast from England or an auction bidder from France. Carlisle provides an international flavor at not only the Import & Kit Nationals, but also during many, if not all, of the events on the schedule. It just so happens that during this time of year the customs office gets many visits from the car community!

AUTOTRADER CLASSICS

AutoTraderClassics.com is the best place to fuel your passion for classic cars. With AutoTraderClassics.com, you can search thousands of classic cars from dealerships and private sellers, find a comprehensive inventory of both parts and accessories for maintenance, restoration and even custom builds of classic vehicles, and list your classic car for sale to reach over a million shoppers every month. AutoTraderClassics.com also provides enthusiasts with a one-stop shop for resources on how to select, appraise, finance, purchase, transport and maintain the car of your dreams. Plus, there's always in-depth editorial content, classic-car photos and information about events across the country. That's AutoTraderClassics.com...the Preferred Collector Car Marketplace of Carlisle Events.

MEGUIAR'S

For over 100 years, Meguiar's has shared its passion and pride for the car hobby and for making cars appear "show-car perfect." They provide quality products for every surface of your vehicle — inside and out. Meguiar's Customer Care Center is available six days a week to answer any car care questions you have. Call 800-347-5700 or join the discussion on Facebook or their online discussion forum at www.meguiarsonline.com. "People who love cars love Meguiar's."

GUMOUT

Since 1945, Gumout® Performance Products has been the trusted automotive expert for some of America's finest retailers. Gumout® delivers the technology with products blended specifically to clean, protect and enhance critical parts of your car. Our products are designed with the expertise of an array of scientists with years of experience in developing fuel and engine additives for today's drivers and specialized users. Gumout® Fuel Additives, including our Fuel System Cleaners and Fuel Injector Cleaners, remove deposits resulting from low quality gasoline, allowing a vehicle's critical parts to work more effi-

ciently. A number of our products can even prevent future deposit build-up, which helps restore the engine to peak condition and maintain its performance for years to come. With a comprehensive range of product formulations for just about any type of car, truck, diesel or flex-fuel vehicle, we're your one-stop vehicle maintenance supplier. Get the most out of every mile with Gumout.

HEACOCK

Have you ever wondered what collector car insurance is all about? It's simple: passion. Heacock Classic Insurance knows that collector cars receive better care and are driven less than the family vehicle, therefore, classic car insurance rates are lowered. Their goal is to offer a custom, low-cost program designed to fit your needs. Collector car insurance from Heacock Classic provides "Agreed Value" coverage, full coverage during restoration, coverage for modifications, and your right to choose your own repair shop if your car is damaged. You also get to choose zero deductible and automatically get \$50,000 coverage for 30 days when you purchase a new classic car. After you request a quote, a status report is usually ready within 24 hours. Then, they will contact you to review it and hopefully activate your new insurance policy. It's simple, easy and the best way to properly protect your investment. Call today at 800-678-5183 or online at www.HeacockClassic.com.

ROCK AUTO

RockAuto ships thousands of auto parts from over 200 manufacturers to customers on every continent except Antarctica — including APO/FPO addresses. The RockAuto catalog is updated daily with mechanical parts such as brake pads and shock absorbers, body parts such as bumpers and mirrors, interior trim such as door handles and carpets, and major assemblies such as steering gears, CV axles, engine long blocks, and complete transmissions. There are no mechanics on staff (RockAuto is a store, not a repair shop), but service manuals are available to help customers learn how to perform a repair. The RockAuto catalog is expanding constantly. Someday, it may be possible to build an entire car using parts from RockAuto!

FUN FACTS

Our final event of the year, Fall Carlisle, also means the final batch of Carlisle “Fun Facts.” Starting with Spring Carlisle you’ve been treated to information that’s been compiled by Carlisle Events Facilities Director Tim Bowman and his staff. Some of this information will make you laugh. Some of it will leave you scratching your head and some of it will have you wondering why or how someone even keeps track of such facts. We hope you enjoy them.

FACT 12: We deliver a lot of tables and chairs to customers and vendors during a show weekend. The totals vary based on the show, but the fact is, it happens frequently. During one particular show a few years back, our table truck logged 69 miles in a single day, and all it did was deliver tables and chairs on grounds.

FACT 11: Nearly 1,400 big feet and signboards are used on grounds at specialty shows to give directions and designate showfield classes. If you’ve ever thought the grounds aren’t properly marked, think again.

FACT 10: You get a goody bag if you’ve registered for the showfield. This is the case for most events at Carlisle and our newest event at Bloomsburg. Have you ever wondered how many are given out in a year? From start to finish, nearly 14,500 goody bags are stuffed by part-time staffers, working weeks in advance of an event.

FACT 9: Overall, Carlisle runs a minimum of 134 temporary electric panels. To make those panels work, it takes an additional 15,305 feet of 60-amp power cord. Monetarily speaking, it costs about \$856 per 100-foot piece of cord, and Carlisle has about 36 cords ranging from 20 feet to 300 feet.

FACT 8: Over 1,000 large parcels come to our receiving area annually, and another 267 skids are received, logged and then delivered to vendors. Not too bad for a group of mail and package delivery amateurs.

FACT 7: Within our fence line, there are 82 acres of ground and in total; maintenance is responsible for 150 acres. Though not all aspects of the property have grass on them, it’s fair to say that at least half is green. To that, nearly 864 hours are spent each season mowing and maintaining the grass. Those 864 hours translate to 21½ days of mowing time. Do you even mow your yard 21 times all year?

FACT 6: Yellow caution tape — you see it at crime scenes, construction sites, condemned buildings and more. You also see a lot of it at Carlisle. We use it to re-

serve certain areas of the grounds for special displays, designate areas to avoid and in general, to give you a notification that your body should not be within the taped-off area. In doing so, over the course of a season, about 40,000 feet of the stuff is used. 40,000 feet translates to about 7.6 miles.

FACT 5: We use a lot of temporary fencing to stage events. From the swap meet and car corral areas to autocross, monster trucks and on the showfield itself, the fencing end to end covers approximately 10 miles. The maintenance staff hammers in at least 3,520 fence posts — possibly more. From Carlisle, 10 miles isn’t far, but it’s far enough to get from one side of the Carlisle Borough to another (and back). You could also drive to Mechanicsburg, walk the Appalachian Trail from Whiskey Springs Road to Boiling Springs, or if you are up for some additional exercise, run 40 laps around your local high school track.

FACT 4: It is estimated that over the course of a season, 1,832,220 feet of toilet paper is used. With 5,280 feet in a mile, this translates to just over 347 miles worth of tushy tissue. From the fairgrounds you can travel to the following major locations by rolling out a season’s worth of TP: Boston to the north, Detroit to the west, Winston-Salem to the south, well out into the Atlantic Ocean to the east, most of the Susquehanna River (464 miles/New York to Maryland), and within 374 miles you can make your way into outer space.

FACT 3: Paper towels are good for cleaning oil off your dipstick, drying your hands or using as a napkin in a pinch. Paper towels have many practical and impractical uses, but mostly they’re an important component to keeping you clean and sanitary. With 10 events at Carlisle, an estimated 595,000 feet of paper towels are used. That equates to nearly 113 miles. That is greater than the driving distance from Carlisle to the following: Annapolis, MD, and Harrisburg, PA (two state capitol buildings); Philadelphia, the City of Brotherly Love; both Scranton and Wilkes-Barre, PA; and York, PA.

FACT 2: To fill those nearly 600 blue trash barrels, more than 39,500 50-gallon trash bags are used. That means at least 1,975,000 gallons of trash are collected between April and October.

FACT 1: Over the course of a season, more than 311 tons — 622,000 pounds — of trash is extracted from the hundreds of blue trash barrels. This total does not include batteries, liquids, tires and metal.

That’s it for “Fun Facts” in 2012. Each event magazine is available online at www.CarlisleEvents.com.
